**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

While I generally oppose competition for profit, I support it in this case, against the powerful corporations that run us into warring everywhere, for their profit. I oppose the suppression of the small businesses that offer the other connections to our services. Like 'everyone', I cannot function without my connection to the internet.
